

Fancy Feline program

We created the **Fancy Feline program** in 2008 with the aim of helping long-term cat residents at the Shelter find new homes. The program offers adopters a subsidization of \$50.00 from the regular adoption fee and is only made possible by the generosity of donors.

Since the beginning of the **Fancy Feline program**, Harry Smith and Jane Thomas have provided many donations to keep this program going. Due to their support, close to 100 cats have find new loving homes.

If you would like to sponsor the **Fancy Feline program**, please contact PEI Humane Society Development Coordinator Lisa Hashie by email: lhashie@peihumanesociety.com or by phone: 902-892-1190 extension 24.
